Painting has been my life's pursuit and passion for more than 30 years. Since 2006 to present I have been part-time painting tutor at the Pakenham Living Learning Community Centre connecting art with community. During Covid (March 2020-2022) I was engaged in a Creative Recovery Project working with bushfire affected communities in Cardinia Shire facilitating permanent art installations for the enhancement of community spaces. I enjoy a rural lifestyle shared with my partner in Drouin, Gippsland. Currently most of my time is spent in my studio.
