

## *eMotion meets eArt - Program*

Janine Good (Artist) expressing painting through music with  
ShyRobyn : Dan Mackinnon-vocals, Andy Brown-guitar  
Michael Nocentini-Bass, Cam Price-drums

(Mark Rothko) *Art is an adventure into an unknown world, which can be explored only by those willing to take risks.*

### **# SDT (6 min)**

(T. S. Eliot) *Only those who risk going too far can possibly find out how far they can go.*

### **# Ram Lounge (8 min)**

(Henri Matisse) *A rapid rendering of a landscape represents only one moment of its existence. I prefer, by insisting upon its essential character, to risk losing charm in order to gain greater stability.*

### **# Modern Day Lepers (10 min)**

(Robert Rauschenberg) *It's when you've found out how to do certain things, that it's time to stop doing them, because what's missing is that you're not including the risk.*

**SHORT BREAK**

(Vincent van Gogh) *One must work and dare if one really wants to live.*

### **# Trigger Happy Thugs (3 min)**

(Graham Sutherland) *In painting, you have to destroy in order to gain... you have got to sacrifice something you are quite pleased with in order to get something better. Of course, it's a risk...*

### **# Buried Alive (9 min)**

(Albert Camus) *Art advances between two chasms, which are frivolity and propaganda. On the ridge where the great artist moves forward, every step is an adventure, an extreme risk. In that risk, however, and only there, lies the freedom of art.*

### **# Hand of Trust (12 min)**

(Jack Canfield) *It takes risks to achieve. It's often scary. It requires something you didn't know before or a skill you didn't have before. But in the end, it's worth it.*

### **# Fishnet Flanelette (8 min)**
